## WORD SEARCH CONTEST

Our first contest is a word search puzzle. There are 25 Rocky related words included in our list. To make your experience more of an 'absolute pleasure' there are no clues given.

GOOD LUCK!

## CONTEST RULES

The 3 people with the most words found will each receive a free button. If more than 3 people get all 25 words (or the next highest amount found) the 3 winners will then be determined by a drawing.

## DON'T DREAM IT, BE IN IT

If you have any questions about Rocky (or anything for that matter) or would like to contribute an article, clothes, drugs, food or whatever just drop us a line. Even if you just want to write about nothing (we can use the blank paper). Or maybe you have a problem you would like us to help you with (you would have to be pretty desperate to ask this bunch for help. Most of them have a hard enough time remembering where they are on Friday and Saturday nights). But seriously, drop us a line anytime. We love to hear from people. You don't think any of us have friends, do you? Mail anything to:
