CONTEST #1

We had a really good response to our first contest. We hope it will be as good for our contests to come. But, due to numerous circumstances, we had a little boo-boo in our first contest. One answer, Columbia, was misspelled. And it seems there were some words in the puzzle that weren't included in our answers but do pertain to Rocky so we accepted them (because we're so nice). We had some answers that were suppose to be two words such as Tim Curry, but some people counted it as each a separate answer. Anyway, here are the 25 answers and the 8 we decided to allow:
