SCOTT SPEAKS

"We Meet at Last"

In the 3 years since I have been a cast member at the R.H.P.S., I have been asked the same questions - "Why do you go" and "Is it the same movie all the time?" To answer the first question, it's summed up simply in one of my lines, "For the thrill!" It is a thrill to be a cast member; and it is a thrill to be part of the audience, making the show what it is - fun! The second question is answered yes and no. Yes, the movie is the same. But the show isn't. Every week it is different. The audience is different. There are repeaters and there are virgins. People of all ages and background come to the show. Also, every week the cast tries to diversify themselves, and the audience plays a big part in this by their response. That's why the show has been around so long. And why it will be around for a long time yet to come.

(Bob Andoscia has not been able to attend the show here in Newport, due to work responsibilities, but he remains with us - In spirit anyway!)
