# NEWPORT ROCKY

VOL. 1 NO. 4 May 15, 1982

FREE - AT THE JANE PICKENS THEATRE

## ANNIVERSARY

On June 11th and 12th, we are celebrating the showing of the Rocky Horror Picture Show for one straight year. This is the first time this has happened at the Jane Pickens Theatre. It is especially rewarding for the live cast we have performing each Saturday evening, who deserve a great deal of credit for their job of entertaining our audience in the past year. On both nights, we are having the live cast to celebrate our anniversary. We will have them in the lobby on these nights to greet you and get you in the mood for the Rocky Horror Picture Show or toward another admission here at the theatre.

Mr. Jarvis, Manager

Not only will the show have been shown one straight year at the Jane Pickens Theatre on the June 11-12th weekend, but it will also be the beginning of the 5th year at the theatre overall. Previous to this year, the show was held from Spring to Fall only. But due to Mr. Jarvis' enthusiasm for the show, we were able to keep the show through the cold winter months. Nevertheless, despite the partial years the show has been here, the RHPS is going into it's 5th year. This is more than any other theatre in Rhode Island!

We have survived the cold winter months for the first time. Some nights were slow, but others were really good. School is coming to an end and the warm weather is here to stay for awhile. Newport is heading toward it's prime months now, so we all are looking forward to bigger and better things yet to come!

## WARNING : RUDY, THE PROJECTIONIST!

Rudy is our projectionist. He is also the guy frequently collecting tickets and handing out this publication. He's the guy with the funny look in his eyes. After collecting tickets, he scampers up the dark flight of stairs leading to the empty balcony. Then he scurries up a long, thin, narrow, creaky, steep set of steps leading to the attic. It's wierd up there. It's Rudy's place, high up and far away from the rest of us. No one can say for sure what goes on up there once Rudy gets the projector rolling. Sometimes he tries to bring people up there. It is not uncommon for Rudy to offer tours of his projection room to young women. If he asks you, watch out! You know what they say about people who live up in the attic.

## HELP STILL NEEDED

The Newport RHPS Cast takes pride in having built up a full cast. We also take pride in doing all the scenes in the movie that we can. Still, there are small parts that we would like to get done involving minor characters. I speak of Ralph Hapshak, Betty Monroe, the two screwballs taking wedding pictures, or the farmer and his wife. These are not main parts, but they are open if anyone wants to do them. Remember, every little bit counts. And don't forget the Transylvanians. We can use as many as we can get.

NEWPORT ROCKY - If you have any letters or questions, please send them in care of Roy Rossi, 18 Wychwood Place, Johnston, RI 02919. If you want to write to a specific character/person, put name on back.
