

# NEW ENGLAND ROCKY

VOL. 1 NO. 1 DECEMBER 25, 1982

FREE

## IN THE BEGINNING

Well, here you have it - the historical first issue of NEW ENGLAND ROCKY. I advise all of you possessing this issue the same thing I advised the people getting the first issue of NEWPORT ROCKY - save it and you'll make a bundle when you get old. Already, I've had people write to me for the historic first issue of NEWPORT ROCKY willing to pay big bucks for it (really). But I tell them "No." Tuff stuffings. Not even for Christmas. If you non-challantly toss this issue on the floor, you've blown it brother.

## PLANS

None. You plan once and you plan twice. Anything will go in this paper, be it news, stories, experiences, the movie, the cast, the actors, the audience, or any other states of being. There is only one qualification for material in this paper - it must be good stuff. Capise? And we'll take that good stuff from anyone - cast, audience, management, or chairs. If there's too much material, a fair way will be used to judge what goes in and when it goes in. If there's too little, that's where I'll come in, begging and willing to pay for something (anything!).

This paper will come out when you see it come out. It could be once a year, once a month, once a week, or once every 142.47 hours. Who the hell knows for sure. Keep coming to the show and you'll be sure never to miss a thing.

## WHY THE TITLE?

I just knew you would ask that! We used to have NEWPORT ROCKY in Newport, RI. But we have seen how wide-spread the RHPS is around the world, and very much of that in our area. It's a big deal, and we're going big time right along with it baby! So perhaps we can speak of not just news from Groton, but also from other places in Conn., Mass., and RI. And if someone has something to say about the goings on from further than that, well hell, let us know!

## LETTERS

The NERHPS letter line is always open. We'll field anything about anything. We have a qualified team of experts willing to help you for FREE. It doesn't even have to be a RHPS question. It could be about anything - girlfriends, boyfriends, no friends, drugs, animals, plants. It doesn't even have to be a question. It could be a comment, like "You're terrible," or a request, like "Get the hell out of Groton." At least you will be communicating (We'll listen to nice stuff too).
