

PROVIDENCE ROCKY

VOL. 2 NO. 13 December 2-3, 1983 FREE - AT THE CABLE CAR CINEMA & CAFE

GOODBYE

The motivation for this article is not a happy one, to say goodbye to the RHPS at the Cable Car. This will be our 13th and final week here. The show surpassed the 9 weeks that it lasted at the Avon last spring. As to the future of the show, all of us must wait and see. The show still has a strong following, but ultimately the decision as to if, when, and where the show will reappear is in the hands of movie distributors and theatre owners. There are some theatres in the Greater Providence area interested. Don't even be shocked if it shows up back here at the Cable Car someday. Wherever it goes, we'll be there and we hope you will be there too. For those of you insanely worried about when the show does start up somewhere around here again, write to this paper leaving a return address and/or phone # and you will be enlightened.

TO THE CABLE CAR MANAGEMENT

With all due respect to the previous theatre showing the RHPS in Providence, and with no due respect to the theatre before that, the cast would like to thank the ownership and management of the Cable Car for the courtesy and respect that they have shown us. In particular, Ray and Tom have made us feel more welcome than we ever have in Providence, reminding us of an old friend in Newport. They have done more than just allow us the privilege to do the show, they have gone out of their way to make us feel wanted. Their flexibility and openness has been instrumental in organizing the show, and their hospitality could not have been any greater. You have been everything we could ask for. Thank you.

THANK YOUSE ALL:

I would like to thank those who have contributed by being part of the cast. It's hard to thank everybody who has ever done the show, because many times we have had to volunteer (i.e. pull) people out of the audience. So I will site those who have done the show at least twice.

Thank you Jimmy, Sue, Steve, Laura, Mark, Kristen, Kevin, GP, Kathy, Andy, Lorna, Laurie, Ray, Mike, Max, Abby, Sheilarae, Julie, Candice, and Bob. I hope I didn't leave anyone out. If I did, I apologize.

Some of these people are gone. Some are coming and going. Many are still here. They come from many different cities and different casts and times. This cast has proved to be the melting pot for all kinds of people. And with each person, I feel honored to have established some kind of rapport, whether it be an extention of memories initially developed somewhere else or the begining of a friendship started here.

Wherever we go next, I hope as many of you as possible will be able to continue. Each one of us needs the help of each other.

And, besides, I like working with the best.

Roy
