

PROVIDENCE ROCKY

VOL. 3 NO. 1

December 9-10, 1983

FREE - AT THE FAIRLAWN CINEMA

Above, you see 5 theatre insignas. They all have one thing in common: They have shown the RHPS in the Greater Providence area. The Fairlawn Cinema is the latest, and hopefully greatest, theatre to show the unquestionably greatest cult movie of all times. This rather omnipotent statement is backable by several factors. We still have a theatre in the heart of a large city with sizable suburbs snuggled up to it. This insures lots of people will be here, with lots of room to sit. We have management that not only wants Rocky Horror, but knows Rocky Horror very well. They know where we are all coming from. We also have a cast deep with veterans drawn from experience with the above 5 theatres and experience from Newport, Groton, URI, Cape Cod, and Boston. We gained new cast members at the Cable Car and hopefully we will gain more here (hint hint).

But that's not all. At the Fairlawn, there will be two other things that many of you, perhaps none of you, have ever seen at a theatre showing Rocky Horror on a consistent basis.

One new factor is SPACE. We'll have lots of it. There is so much room to do the show here the cast won't know what to do with it all - but we love it anyway. And the audience now will have abundant room to get out of their seats and Warp to their insanity's content. As a matter of fact, there is no excuse not to get up and do the Time Warp what with all the room we have here. Those of you who decide not to get up anyway will therefore be ejected from the theatre.

The other new factor is PRICE. It's only \$2.50! (Down from \$4.00). The lowest the show has cost in this area since the show opened 5 years ago in this area has been \$3.00. It has steadily increased ever since then, as inflation has continued to march on it's undeniable course. Well, up your ass, inflation!

Hope to see a lot of you a lot more often.

WE NEED CAST MEMBERS

While we do have many people we call on as substitutes, there are still openings for permanent positions in the the cast.(wow). Or if you'd rather be a substitute, we can add your name to our massive pool of talent. Either way, it's your chance to become a big deal. Just imagine, you'll get to be "in" with us. Maybe you can even hang around with us if we like you. If you are interested, just tell one of the cast members you would like to be a BFD and we see what can be worked out. Capise? We also need people or very intelligent animals to do the lights for the show. It's not as big a deal, but you get in free and you get to talk to us.
