## THE RETURN OF ... RAY'S MAZE!

By Ray Prew

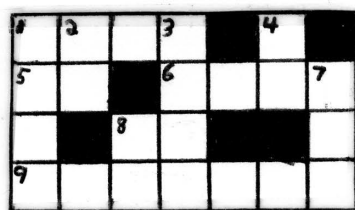

1983 was a hectic year for Rocky Horror. Cast and audience alike didn't know whether we were coming or going. See if you can follow the plight of the show from the beginning of the year to the end.

The object is to start at the begining and get to the end. But, ah ha, in doing this transgression one must collect a ticket from each theatre on the way. And if that doesn't throw ya, be aware also that you can not go back over the same path more than once.

If you somehow manage to get to the end and thus find out where we are now, PLEASE LET US KNOW!
