TRIVIA INTRO

How much do you really know about RHPS? Did you know it had a budget of a meger 1 million dollars? That it only took 8 weeks to film, edit and complete? Do you really care?... I didn't think so, but I nevertheless put together a trivia quiz anyways. I then decided what the hell, offer a reward. So I will pay for the admission of the first person who answers all ten questions plus the bonus question to a future showing of RHPS.

All entries must be received by May 10, 1984.

Please include your name, phone number and address. Mail entries to WARWICK ROCKY, 18 Wychwood Place, Johnston, RI 02919.

Cast members, employees of Cinema I & II, and their friends and relatives are ineligible. The winner will be announced in a future issue.

ROCKY TRIVIA QUESTIONS

- (1) Where is the story set?
 - (2) What does Eddy do for a living? (No, he didn't invent Hamburger Helper) What about Frank's day job?
 - (3) What year did Brad graduate from High School?
 - (4) How many invited guests showed up for Frank's party?
 - (5) How many movies are refered to in the theme song "Science Fiction Double Feature?"
 - (6) When and where was the first midnight showing of RHPS?
 - (7) What were the two original titles given to Richard O'Brien's short play that later became The Rocky Horror Show?
 - (8) What is Susan Saradon's real name?
 - (9) Richard O'Brien's (Riff Raff's) real life wife is in the movie, who is she?
 - (10) Who was the real owner of the castle used in the movie?
- *Bonus) The character "Riff Raff" was a takeoff of a character Richard O'Brien portrayed in a Sam Shepard play (he even wore the same costume). Name the play and the character. Also Tim Curry used the same pair of fishnets and garter belt he wore in a play he was in, name it.

STAY AWAY FROM THE OTHER CINEMA

It has been brought to our attention that another movie is daring to be shown in one of the other Warwick Mall cinemas. We of the RHPS cast forbid anyone from partaking in the heretic act of watching another movie during the same time zone that Midnight Madness is suppose to be taking place. Besides, how could anyone in their right mind go to see some stupid old movie when they have entered the same theatre as the RHPS is playing? Take my word, the other movie will just be BORING.
