

Newport ROCKY

VOL. 2

NO. 2

July 27-28, 1984

FREE - AT THE CASINO THEATRE

THANK YOU ALL

The cast would like to thank everyone for making last weekend a success as far as we were concerned. The audience, most of which we take it have never seen the show before, were very receptive to us and made us feel welcome with their applause.

We are not a professional or even a formal amature organization, but rather a "wing-it" operation from week to week. If you came both nights, you would have seen the difference in the casting between Friday and Saturday night. Every week, things go different for us up in Warwick too. Nevertheless, most of the cast feels that we were able to bring together almost the 10 best players for each night that are currently still doing Rocky Horror. The trip to Newport hightened cast interest so that this was able to occur.

Despite the fact that we are not a professional organization, we were treated like professionals by George Marshall, the leader of FLICKERS. George made this place our place by offering all accomidations possible in the Casino Theatre. Rarely has the cast been exposed to dressing rooms, makeup rooms, balconys, and storage areas for props all in one place. All that, and, of course, common courtesy.

Due to all of this, the cast voted unanimously to do the show again on both Friday and Saturday nights during the second and final weekend of thr RHPS here. We don't often get the chance to do the show on the road, but we all hope some day that FLICKER's shows the movie again. We hope you'll be there again too.

This weekend, the cast should be about the same as last weekend, but, as usual, we never know until the night of the show who will be doing what. So, what I will do is print the names of who did the show last week and tell you that most of them will be repeating their performances:

	<u>Friday</u>	<u>Saturday</u>
Dr. Frank N Furter	Jim Botelho	Sue Angier
Janet Weiss	Robyn Tierney	Kathy Lamond
Brad Majors	Jon Winkleman	Ray Prew
Riff Raff	Roy Rossi	Roy Rossi
Magenta	Sheilarae Carpentier	Sheilarae Carpentier
Columbia	Candace Betz	Karen Jones
Rocky Horror	Sue Angier	Jon Winkleman
Dr. Scott	Paul Ruggeri	Dave Jones
Eddie	Mike Kobar	Andy Lamond
Criminologist	Dave Kaplan	Paul Ruggeri

If you get a chance, come up and see us at the Warwick Mall Cinemas, our current "home base," on any Friday or Saturday night at midnight.

Thanx, Mr. Jarvis, for showing up Friday night! It was a homecoming event for the six of us from the Jane Pickens cast still doing the show since it left there 2 years ago. We will never forget our time there. We hope to stay in contact.
