### VISIT FROM GROTON CAST

The RHPS cast from the UA Theatre was kind enough to visit us on Friday, August 10. We hope they enjoyed their time up here and keep in touch. The cast now includes Charley, Tandy, Tracy, Lori, Steve, Lynn, and, of course, our own Mike Kobar. Sorry, but we didn't catch their last names. See what happens when you get too friendly!

### MAZE CHALLENGE

by Mr. Prew

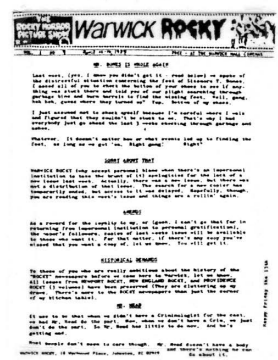

I've been writing mazes for this publication for some time now and I'm running out of ideas. I challenge any member of the cast or audience to submit a shape, any shape, and I will put a maze in it. It will be published right here.

### ROLL CALL

To end all arguments, the official Rocky Horror Roll Call:  
Dr. Scott - "Janet!"  
Janet - "Dr. Scott!"  
Brad - "Janet!"  
Janet - "Brad!"  
Frank - "Rocky!"  
3 times fast!  
All present and accounted for, SIR.

### THE ELUSIVE # 9:

FOUND!

The search is over! Issue # 9, missing from action in our silver week edition, has been recovered. It now resides secured in our WR headquarters. Looks like the entrepreneur from Lincoln offering a copy for \$15 should have settled for the 10 I was offering, when I was offering.

NEXT WEEK! : well, next week. How should I know.
