

is because his/her Mommy let them out after  
midnight and no other place would except them  
so they go to RHPS ~~to~~ <sup>Impersonate</sup> the Douche-Bag  
There are even a few fights lately if people feel  
like fighting go to the middle EAST over there it's  
(rel)

I ~~feel~~ not right that a few jerks bother  
the people who made this movie what it is today  
the people who go as much as possible  
There are more than enough transhumanists to keep  
the RHPS ~~running~~ strong for years.

It is not just that a couple of fools can disrupt  
and disturb the majority of transhumanists who are into  
the show. What ~~are~~ those people should understand  
is that if everybody acts like a Complete Fuck<sup>tm</sup>  
<sup>the RHPS</sup> won't be playing in local cinemas. You'll have  
to go to Boston to see it. And then the police  
make you empty your ~~Bag~~ on the ground and you  
carry your ~~to~~ equipment in your hands and if you  
act like a Pint the crowd throws you out.
