ROCKY HORROR
PICTURE SHOW

The Rhode Island Cast for the ROCKY HORROR PICTURE SHOW and the management of the Cumberland Twin Cinemas are proud to present the Earth's #1 cult movie once again to you. The show may be new to many of you in this area, but we hope you come to love the show at least half as much as we do. We also hope many of the die-hards of RHPS past can make it up here too.

You might question the phrase "ALL NEW." After all, what's so new about a movie that is in it's tenth straight year of running? Well, how about everything else around the movie. You will see many of the regular cast members you have seen in the past, but who knows how many new cast members we may gain now that we shifted the site about 20 miles North. And we are going to try doing many other things different by trying new ideas never used in this area. We want to make this show as entertaining as possible to you. We are open to your help and ideas.
