## WE DONT OFTEN RECEIVE VISITORS HERE

On Saturday, May 4, we received a special visitor. He wasn't from another planet, but he was all the way from Philadelphia. What made his appearance even more unique is that Ron is the booker for Cumberland Twin Cinemas, which means he's the one who gets the films from companies like 20th Century Fox for this theatre.

Ron and his wife had a look-see at our show and he will make it known to 20th Century Fox about our little weekend happenings here. He had seen the movie before, but never with a cast taking part in it.

According to theatre manager/owners Paul and Barbara Anderson, Ron worked very hard and long to get RHPS here, overcoming bigger theatre chains and doubts about taking the movie out of the city area. So far, attendance has been higher than expected. Perhaps, Ron, Paul, and Barbara's gamble and hard work in getting the RHPS may well prove a winner after all. Anyway, we'd like to thank Ron for taking the time to look at us, an unusually personal adventure that most bookers don't bother doing.

## TO THE FANS by Mr. Prew

What does it take to be a dedicated Rocky fan? It takes love of the show. It takes the wisdom to know when NOT to throw roce to know NOT under any circumstances to throw things at people. It takes knowledge of when to yell the proper lines but most of all it takes devotation to coming and introducing new people to the Rocky experience. Rocky is an experience, a place to be free from the usual social restraints and in general have a good time, not get rowdy and start trouble. If you can do what it takes, you are a dedi-
