Be here next week for the answers!!  
- Sheilarae Carpentier

LAST WEEK'S ANSWER:

What very important political act plays an inimportant role in RHPS? Nixon's Resignation Speech.  
RHODE ISLAND ROCKY, 18 Wychwood Place, Johnston, RI 02919

You may have noticed that most nights the cast has not had a Criminologist. Thus, we are now seeking to fill that role. What we want is someone ill enough who would actually enjoy the abusive and derogatory remarks that would be directed toward your person.

If anyone is seriously interested in doing the part, let us know and be prepared to dress up and neck down.

RR

IDEAS PLEASE

We would like to hear your ideas on how this show could be better. Do you have any criticisms of the show? What do you think of the cast? What would you do if you had a say in things around here?

RR

THANK YOU AUDIENCE

Behavior has improved due to the help of many audience members in helping us handle any problems. Thank you and we hope for your continued help in keeping your eyes open for us and thus keeping the fun part of audience participation with the show.

RR

CREW DEFINED

As we all know, there are 10 cast positions that make up the cast. Now, the 3 positions that make up the crew have also been defined:

- Primary Light person
- Secondary Light person
- Prop person

Job descriptions have been written up to make clear what must get done. We hope to fill these positions each night, making our production that much more improved.

RR

Remain with us in spirit anyway, Max.
