## HELLO

Hi! We are the Rhode Island Cast of the Rocky Horror Picture Show, although we come from 3 states (Conn-Mass-RI). Our main function is to simultaneously act out the show live on the floor in the foreground while the movie plays on the screen in the background. Our present home is the Cumberland Twin Cinemas in Cumberland, RI. We do the show there every Friday and Saturday night at midnight. We have done the show at various home sites over the past few years, but, where possible, we like to go on the road too when opportunities like SMU occur. We've been at the CTC for a half year now.

What you'll see tonight is mostly our Friday night cast. Ironically, that means all of our Connecticut members have hauled it over here while our closer Fall River members's turn's are not up tonight. They belong to our Saturday night cast. Some people, mostly the Rhode Islanders, are cast members on both nights.

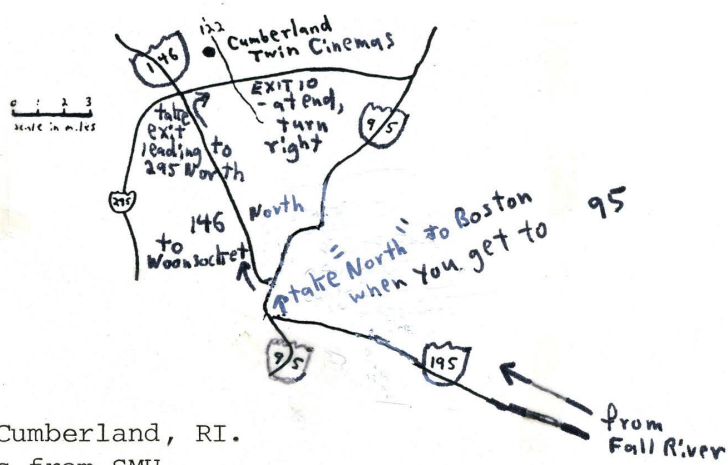

We hope you enjoy our cast's rendition of the RHPS tonight in your theatre. All except one of us have been seen never before at your university, so we have not had a chance to scout the place's physical layout. During your viewing of the first movie tonight, "The Thing," we will be getting our first look and setting up. Many of us are looking forward to seeing "Clockward Orange" after the show too.

We would like to thank those in charge a SMU for giving us the oportunity to come here and do the show (Thanx, Diana). Also, thanks must go to the backup cast back at the CTC for filling in for us in our absense. Have a fun night. Also, please don't throw anything at the cast because we are acting in front of the lights and can not see what's cpming. But otherwise, make a lot of noise and like the toilet paper and rice fly!
