WHAT THEN ...?!

The thrilling conclusion to last week's
WHAT IF question:

What if Janet did not go to the castle with Brad ?

LAST WEEK in brief : Events went very much the same as in the movie until the lab scene. Brad, losing his patience, becomes argumentive. After being restrained from a physical altercation against Frank, Brad flees the castle during the confusion caused by Eddy. He comes face-to-face with Dr. Scott and Janet!

And now ... the rest of the story...

A startled Brad exclaims "Dr. Scott!" Janet exclaims "Brad!" Brad exclaims "Janet!" Dr. Scott exclaims "Brad!" This goes on for about 12 rounds. Brad and Dr. Scott exchange knowledge about Dr. Frank N. Furter. Dr. Scott convinces Brad that they must go back inside the castle to stop this madness for the sake of society. Brad is resolute. Janet is frightened.

Frank has been carefully viewing the 3 on the monitor. He concludes that Brad's appearance was part of a plan against him. Meanwhile, Eddy, still riding rampadly around the castle, stops to pick up Columbia. The two of them eventually smash threw one of the castle walls. More alarms sound and Frank orders the release of the dogs.

Outside, Brad, Janet, and Dr. Scott see Eddy. Dr. Scott calls to his nephew. Eddy looks at him, but not at the tree ahead. He smashes the bike up. The dogs attack the stunned Eddy and rip him to pieces. Columbia screams at the site of Eddy's horrible death.

Inside, Rocky, watching the monitor beside Frank, Riff, and Magenta, goes beserk at the site of this. He runs down the elevator shaft and races outside to help Eddy. He is too late, and the dogs now attack Rocky.

Still inside, Frank begins losing control of his emotions. He leave the monitor to go outside himself, leaving behind Riff and Magenta. They smile at each other.

After a fierce fight, Rocky has killed the last of the dogs. He has cuts and blood all over his body. Frank, visably shaken, commands Rocky to return inside. Rocky growls at Frank and, instead runs off into the night to an unknown destiny.

Riff appears outside the hole in the wall left by Eddy with the lazer gun. Upon seeing him, Frank, hatred in his eyes as he stares at Brad and Dr. Scott, yells "You are the cause of all this! Riff Raff ... KILL them!" Riff points his lazer at Dr. Scott first and watches him sweat. Then without warning, he turns and kill Frank instead. Riff walks over to the Earthlings and heavily suggest that they leave the premises. The do, and the castle blasts off.

Aftermath: Janet, seeing Brad dressed only in underwear, suspec him of fooling around with Columb Columbia puts her arms around Bra and says "That's right toots!" She never speaks to him again, an she leaves him with her virginity intact. Columbia, taking advanta of a distraught Brad, easily sedu him and they later marry. They have 3 kids and she dies of a dru overdose a few years later.

And there you have it.
