WORDS TO THE MUSIC ..

Ken Rawlinson, hard-core audience member and former "Cleveland Correspondent" for the WARWICK ROCKY, is now residing these days in Scotland under the guise of being a student. Here is Ken's report on the RHPS from Edinburgh in a letter to me:

"Things are very different here in the United Kingdom. The people are reserved and aren't the wild partying type that I'm used to in Cleveland.

"The show is different out here in many ways: first it is available on video and beta out here - the show still makes too much money in the states for a syndicated release on video. The people here really don't know too much about the movie they just sit and watch it with a few people saying some lines occasionally. The film itself is even different. After the castle is transported back it shows Brad, Janet, and Dr. Scott all struggling on the ground in the wreckage. Our (USA) film then goes into the Chuck (Criminologist) and the globe scene but over here Brad and Janet get up and the scene changes to a lot of fog and they sing the song "Super Heroes." Also at the end of the film they play the reprise of "Science Fiction." I couldn't believe it when I saw them singing Super Heroes.

"Rocky Horror only shows about once every 6-8 weeks over here. I'm not happy about that.

Ken is expected back from Scotland via Cleveland by this summer. I'm sure you'll all be hearing from him at the CTC.

RR

Eddie

From the day he was born,
He was trouble.
He was the thorn
In his mother's side.
She tried in vain,
But he never caused her nothing but shame.
He left home the day she died.

From the day she gone,
All he wanted
Was rock and roll porn,
And a motor bike.
Shooting up junk,
He was a low-down, cheap little punk!
Taking everyone for a ride!

When Eddie said he didn't like his Teddy
You knew he was a no good kid!
But when he threatened your life
With a switch blade knife...
What a guy!
Makes you cry.
And I did.

Everybody shoved him.
I very nearly loved him.
I said, "Hey, listen to me,
Stay sane inside insanity,"
But he locked the door,
And threw away the key!

But he must have been drawn
Into something.
Making him warn
Me in a note which read:
"I'm out of me hed.
O hurry, or I may be dead!
They mustn't carry out their evil deeds."

When Eddie said he didn't like his Teddy
You knew he was a no good kid.
But when he threatened your life
With a switch blade knife...
What a guy!
Makes you cry.
And I did.

Real Rocky Fans

I (or she) am looking for people who are really Rocky fans! People who are interested in the Rocky Horror fan club. But for all those who are a little interested, a Rocky Horror mailing list is available which includes (or may include) News Letters.

All those who are interested convince all those who aren't. Remember, this movie is for everyone!
