Suggestion Box Fever

The red and black suggestion box, for months just a dust collector in the lobby, has become the center of traffic the past few weeks. Here are some of the cards (and letters) we've received:

"Riff and Magenta, along with everyone else doing the Time Warp, should hold out their hands when Columbia dances like the Transylvanians.

- S. Carpentier

"In the wedding scene at the beginning ..., for the wedding photograph, how about adding whoever is:

(1) Riff Raff (2) Frank N Furter (3) Magenta (the suggestor explains how to look like the characters in the movie during that scene)

"Then, in order to fill in the rest of the family photo, take people from the audience ... to stand in different places. (This) will still give the actors and actresses time to put final touches on their costumes before their first scenes.

(the suggestor then explains how to get into regular make up and costumes)

PS You are all doing a great job! - L.S.H.

- "Let Sharyn have a part.
- "Let Darryl have a part (please!) - Me
- "Let Rick play Riff Raff. I think he'd do a good job.
- "Riff wear your Speedos.
- "More Naked Women.

These are just some of the cards we have received. It gives you a good idea of how people think at the show. RR

More/Less

One area that is always interesting to suggest about is what would you like to see more of in this show? Less of? Drop it in the box. Also, if we keep hanging in there, and I think we will, how about some ideas for the Anniversary Show. It's only thirteen weeks away!

Words to the music:

Rose Tint My World

It was great when it all began,
I was a regular Frankie fan.
But it was over when he had the plan
To start working on a muscle man.
Now the only thing that gives me hope,
Is my love of a certain dope.
Rose tints my world
And keeps me safe from my trouble and pa

I'm just seven hours old.
Truly beautiful to behold.
And somebody should be told
My libido hasn't been controlled.
Now the only thing I've come to trust,
Is an orgasmic rush of lust.
Rose tints my world
And keeps me safe from my trouble and pa

It's beyond me,
Help me, Mommy!
I'll be good, you'll see.
Take this dream away from me!
What's this, lets see,
I feel sexy.
What's come over me?
Whoa! Here it comes again!

Oh, I feel released,
Bad times deceased.
My confidence has increased,
Reality is here.
The game has been disbanded.
My mind has been expanded.
It's a gas that Frankie's landed.
His lust is so sincere.

Cast Turns Down Bowl Invitation

The Rhode Island RHPS Cast decided to turn down an offer to attend Super Bowl XX in New Orleans this Sunday. The Patriot closely located to the CTC, asked us to come as their guests and to perform the Time Warp at halftime. In exchange for our services, we would have gotten seats on the Pats bench.

The reason the cast decided again going was because we did not have ample time to replace ourselves here at the CTC. We would have

to have been gone all weekend, which means 2 shows at the CTC.

Thanks anyway, Patriots. You know we'll all be rooting for you back here in New England!
