

What If ... an Irish Twist

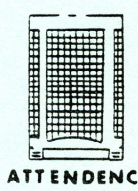

What if the RHPS were made in Ireland with all Irish actors and actresses? Indeed, it is a question put to me every year about this time.

One would have to imagine that Frank would doubtless have green curly hair, as would be the color of Rocky's shorts. Maybe they would call Columbia "Dublin" or "Belfast" or something like that. Perhaps Irish stew and potatoes would be served at the dinner table. The possibilities are endless (and perhaps maybe you don't care anyway. I just thought it would be fun to think about). If nothing else, the names of the movies stars would probably go something like this:

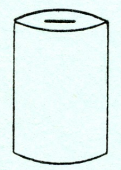

- Dr. Frank McFurter - Timmy O'Curry
- Janie MacWeiss - Sue O'Sarandon
- Bradie Murphy - Barnam O'Bostwick
- Mic Mac - Richard O'Brien (a natural)
- Green - Patti McQuinn
- Dublin - Little Kelly
- O'Rock - Peter McHinwood
- Laddie - MacLoaf
- Dr. Evie O'Scott - Johnie McAdams
- The Crimie - Charlie O'Gray
