Anniversary Month Continues ...

Double Cast Night
Double Cast Night

Friday night, the cast tries another first in having Double Cast Night. In a show of our cast quantity, two casts will perform at the same time. We don't know how this will turn out. There may be a lot of bumping.

To the audience, don't get any ideas about shouting out lines twice. Things will be confusing enough as it is! RR

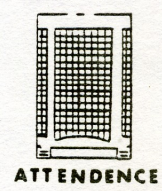

NEXT WEEK - ANNIVERSARY

The conclusion and climax of Anniversary Month will take place next week on Friday and Saturday night. Anniversary Weekend will be the CTC's way of thanking the audience for making it possible for the RHPS to stay here for one year. FREE Rocky Horror buttons will be passed out to all audience members both nights. We hope to make the night as exciting as possible for you. You don't want to miss it. We don't want to miss you! RR

Woonsocket Call

A front page article of the Living Section of last Sunday's Woonsocket Call on the RHPS at the CTC appeared. It'll be reprinted here in a few weeks. RR

PRIZES

Table with 3 columns: Day (FRI, SAT), Amount (\$ 100, \$ 122), and Name (Lisa LaLiberte, John Cooper)

AKA - Anything goes night. And that applies to the audience too. Dress as off-beat as you like, cause we're going to. We'll be doing our parts the same, but the dress code has been thrown out the window for Saturday night. RR

Audience Demographics

NUMBER OF TIMES SEEING SHOW

Table with 4 columns: Category (Virgin, 2-5, 6-10, 11-50, 50+), Male, Female, Average

The numbers you see above represent percentages, not actual numbers, of how many times people have seen the RHPS. One would suspect that the bottom two levels (11-50, 50+) would have increased by now. The poll was taken last November.

BEST PART OF ROCKY

Table with 2 columns: Category (Audience, Cast, Movie, Other) and Percentage (69%, 36%, 33%, Music, Friends, the End.)

The percentages add up to over 100 because people were allowed to choose more than 1 answer.
