DRESS BLACK NIGHTS

Welcome to the Dress Black Nights! This weekend, we all should try to live up to our reputations as Creatures of the Night by honoring the night and dressing in it's color - Black. You will notice the cast attired in a rather dark complexion. We also hope the audience darkens up too. (What? You didn't dress black! Now's the time to buy a BLACK Rocky Horror Picture Show Shirt at the candy counter while they still last. You were going to get one sooner or later anyway.)

Remember on this weekend that Darkness reigns supream. Avoid light at all costs during the time between the Friday and Saturday shows. Pull the shades down in your bedroom when you go to bed after Friday's show. And by all means make sure you do get home before the sun rises both Saturday and Sunday mornings. Get up ALAP (as late as possible) Saturday morning. When you do get up, stay in the house. If we're lucky, it'll be overcast. But still, stay away from windows. Perhaps the best idea would be to just stay in the bedroom period until about 8 pm. Set up camp there with your favorite person or peoples. Then come out again at night Saturday and back to the show. Just make sure you're not wearing the same black clothes since the night before by the time you get here, know what I mean?

So, sing it out in the darkest halls, revel in it in the deepest tunnels. This is BLACK Weekend! And it is ours. And it is good. RR

FRI	80	\$ 5.38
SAT	118	\$ 4.83

Next week I print last week's and this week's winners, OK?

WARNING: You may not see a full cast some nights. REASON: We need new cast members to at least temporary replace the old ones. Especially male cast members except Eddy's.

Congradulations to the World Champion Boston Celtics. Maybe we should have a Dress Green Night.

NEW IDEA: Why dance to just the Time warp? Get up for Hot Patotie (Eddy's song) too. RR
