

**BOX TIME**

BOX: All Cookie Cast. We have a cookie monster and Kermit the Frog.

RIR: That sounds like a crummy idea.

BOX: Have all the cast members act out the show in the Nood! - Lisa (age 11)

RIR: Not until you're old enough to spell the word right.

BOX: I'm a Cookie You're a Cookie Wouldn't ya like to be a Cookie too.

RIR: No.

BOX: Have a party.

RIR: This card shows up about once a month and I still insist whoever it is has never been to the RHPS.

BOX: I would have liked the Statue of Liberty Pun...however I was in California so I missed it. Sorry. - John F. O'Connell II

RIR: All back issues can be gotten from Barbara at the Candy counter or from me(RR).

BOX: Love the obnoxious guy with the auto. - Uzi

RIR: Hope somebody understands that.

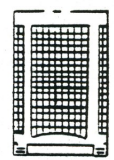

BOX: Good luck in Boston everyone. - Lisa

RIR: We had more than luck.

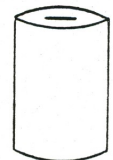

The above are suggestions to the BOX from the past few months. Personal notes are generally not printed, but we get a lot of those too and they get to the right people if you're clear enough. Keep 'em coming and they'll get printed as soon as space permits, like this week cause I got nothing to say.
