Twice Warwick

We did it once. Now we've done it again. By hitting week # 70, we have not only shown the movie longer than the CTC's predecessor General Cinemas in Warwick, but have shown it TWICE as long! With the exception of one theatre, the CTC has long since broken all the other area theatres marks too. Only the Cinerama, which showed the movie 4 years, had a longer run. Co-manager Paul Anderson says "We're going to break that too!"

The Story Behind The Rocky Horror Picture Show Part Two:

"I Just Love Success!"
By..Craig S. Senecal

It took him six months, but Richard O' Brien created the ROCKY HORROR SHOW, the stage musical and forerunner to the 1975 movie of similar name. O'Brien soon won support for his play and Micheal White, a London producer, financed his show as a six week workshop project. It opened June 18,1973 in the Royal Court's Upstairs Theatre with the following cast...Tim Curry as Frank, Patricia Quinn as Magenta,Richard O'Brien as Riff, Little Nell as Columbia,Johnathan Adams as the Narrator, Christopher Malcolm and Belinda Sinclair as Brad and Janet, with Paddy O' Hagan as Dr. Scott and Eddy and Raynor Bourton as Rocky.

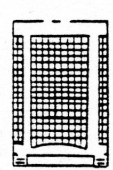

The show with "Something for Everyone",became a runaway hit. The play then moved to a converted cinema then to its final home in the 500 seat King's Road Theatre, where it opened on Halloween night, 1973. It soon became Englands second longest running show and won the coveted London Evening Standard award for "Best Musical of 1973". It played for 5 and a half years. The producers were making money but they had one thing in mind...Look out America! Here comes ROCKY HORROR!

SOON....PART THREE...ROCKY TAKES ON THE COLONIES!!!!
