

# ROCKY HORROR ISLAND

VOL. 2 NO. 80 October 31-November 1, 1986 FREE Cumberland Twin Cinemas

# HAPPY HALLOWEEN!

Welcome to the CTC's Rocky Horror celebration of Halloween. This is the first time since 1980 that Halloween has fallen on a Rocky night, so we don't have to show the movie on a Thursday like last year. Next year it'll work out good too.

Two cash prizes are being rewarded tonight for first and second place in the costume contest. To be eligible, you must have bought a ticket, not be in the cast that night, and not be dressed as a RHPS character. Judging will be done by a panel of judges, not the audience.

The cast will do the show out of RHPS costume. Don't ask me what they'll go as. There promises to be no rhyme or reason to it.

And for those of you have showed up tonight simply because it is Halloween, remember that the RHPS shows EVERY Friday & Saturday night here at the CTC. But no 2 nights are ever the same. RR

## Costuming Characters

Many people have trick-or-treated tonight dressed as some of their favorite RHPS characters. But, the question that comes to min on this night of nights is, what would THEY go as? Here's my guesses:

JANET-Snow White. Being the slut that she really is, Janet would rather us beleave her to be clean and innocent.

BRAD-A football player. Brad tried out for the Denton High School team a few year back and failed miserably. Now here's his chance!

DR. SCOTT-A Nazi General. Judging from Frank's suspicion of "von" Scott's past, he should already have the costume.

ROCKY-A dog. A very lost dog with it's ears wet.

MAGENTA-A witch. From what we see of her character, she'd look natural on a broom.

RIFF RAFF-A spider. Humble. Docile. Just waiting to pounce.

EDDY & COLUMBIA-Charles and Di. These 2 could go as a pair. Imagine if these 2 were actually born into royalty?

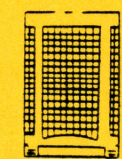

FRANK-A priest. Can you imagine all the fu he would have at confessions?

CRIMINOLOGIST-A fire hydrant. They got no necks either.

... maybe this wasn't such a good idea. rr
