## THE BEST OF ROCKY "Rocky Romances" Compiled by Sheilarae Carpentier

### Providence Rocky, Vol 2, 9/30-10/1/83 -- WEDDING BELLS RINGING!

Congratulations are in order for Steve Chadsey (plays Brad) and Laura Miller (plays Columbia Fridays). They have announced their engagement to be married next Summer. This makes them the second intra-RHPS cast couple to become engaged...The other couple is Andy Lamond (plays Eddie Saturdays) and Kathy Deslauriers (plays Janet Saturdays). Well how about that!

### Warwick Rocky, 5/18-19/84 -- ANDY AND KATHY

Andy and Kathy never knew of each other. Andy Lamond lived in Fall River. Kathy Deslauriers lived in Woonsocket. They had no common relatives, no common friends. They didn't work with each other. They had never heard of each other's existence. Nothing of occurrence was mutual between the two.

Andy became part of a cast at the Cinerama in early 1980. Kathy became part of a later cast in 1981. Andy was a part of that cast too...They never would have meet if it weren't for the RHPS.

Next Saturday, May 26, 1984, Andy and Kathy will be getting married.

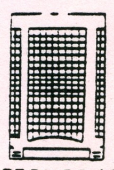

### Warwick Rocky, 5/25-26/84 -- POEM by Ray Prew

The wedding bells are ringing,  
People with handfulls of rice are flinging.  
It's Andy & Kathy's wedding day,  
So I wrote this poem just to say,  
We wish you the best and all the rest.  
We want you both to be happy.  
(You think you can do better, you try it.)

### Sheilarae's Note

Andy and Kathy are still doing fine, thank you and are expecting their first baby on July 4, 1987. Andy says he's a Yankee Doodle Daddy. He still does Eddie on Saturday nights and Kathy helps us out on occasions when we need her (except maybe the next several months).
