## THE ROCKY HORROR PICTURE SHOW OFFICIAL FAN CLUB

204 West 20th Street, New York City, NY 10011

Dear Fan Club Members:

I just celebrated my "1000th Transylversary" (an old Waverly term). I would like to thank all members and friends who sent me cards and best wishes. The biggest thrill for me was the attendance of Richard O'Brien to help me mark this very special event. Richard, more than any other person connected to ROCKY HORROR, truly cares about the fans and finds their devotion to the movie very gratifying. He is certainly one of the main reasons I continue to enjoy my role as fan club president and promoter of ROCKY HORROR.

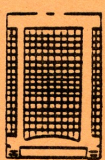

We are also continuing our membership drive for the fan club. As you know, all it takes is a self-addressed stamped business envelope. Just think, if every member sent in one membership for a friend, we would double our membership. Membership is very important, because the more members we can show, the more support we get from the studio.

As many collectors know, there has not been much new RHPS merchandise in recent years. We are trying to remedy this, but we need to hear from you to get an idea of what you want. Please fill out the survey below (or a copy) as soon as possible. Save a stamp and send it in with that new membership for a friend.

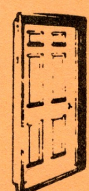

Thank you, keep in touch, and remember to stay sane inside insanity.

Sal Piro
