## ROCKY HORROR NEWS

### SPRING/SUMMER 1987

Richard O'Brien has completed the script for a movie rock and roll version of Cinderella...Richard has also been approached about working on a musical project on the life of Quentin Crisp...Susan Sarandon's new movie The Witches of Eastwick with Jack Nicholson and Cher will be in release in early June...Susan has just finished filming Sweetheart's Dance with Don Johnson...Tim Curry has just finished Pass the Ammo a movie about TV evangelists (how timely)....Tim Curry has also been signed to play the lead in the National Touring Company of Me and My Girl, the British musical comedy smash. The show begins performances in San Francisco in October...Nell Campbell's NYC Club Nell's continues to be the hottest nitespot in Manhattan. But, it only caters to the rich and famous. (So don't think you can get in wearing a Columbia costume)...Fan Club President Sal Piro celebrated his 1000th performance on April 25th at the Eighth Street Playhouse. Richard O'Brien flew in from London to be the special guest. The highlight of the evening was a live Time Warp sung by Richard, Lillias Piro, and Maria Parisi. Fan Club members from six surrounding states attended...Pat Quinn has finished filming Fortune of War, a British TV movie Egypt...To answer the three most asked questions of the fan club: 1) there are no immediate plans to release RHPS on videotape; 2) RHPS costumes are not available in stores. Most theater performers make their own. and 3) the "lips" belong to Patricia Quinn (voice by Richard O'Brien)...RHPS has been released on video in Europe and Japan. But don't buy a European copy. It is not compatible.

The photo to the right shows Susan Saradon, Jack Nicholson, Cher, and someone else. They will star in a movie that was originally planned to be filmed in Little Compton, RI. But some idiot group there put a stop to it. Jerks! RR
