ROCKY HORROR BABY

In the wee hours of Wednesday morning long-time Saturday night cast member Andy Lamond (Eddy) became a father. Christopher Alexander Lamond was weighed in at 5 lbs. 14 ounces. Andy's wife, former cast member Kathy Lamond (Janet), was not expecting till next month.

BLUE IS FOR BOYS

Andy and Kathy meet at Rocky Horror in the Cinerama in 1982. They married in 1985. Andy is hoping that some day his son can take over his part as Eddy. Since Eddy drives, and the legal driving age is 16, that ought to be only about 2003!

THE BEST OF ROCKY "School or Rocky Horror?" RIR, V2 #19, August 30, 1985

In honor of the end of another school year, we reprint an article dealing with a conflict you may no longer face (for the next few months, anyway):

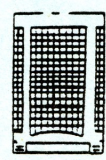

We have come to that time of year where a decision has to be made - school or the Rocky Horror Picture Show. Fortunately, some of us no longer have to make such a choice. But, to those of you who do, make sure to consider a few things before making the so-called "sensible" decision.

First of all, why the conflict? Do any of you have classes at midnight? On a Friday or Saturday night? Do any of you actually plan to study at that time?

Secondly, what is more fun? You'd rather study? How will you feel studying when you know everyone else will be at the show. Suppose something happens at the show. You will hear about it and wish you were there.

Come on! Forget about school. The heck with it. Just come to the show and have a good time. What's really more important? If you really want, bring your books to the show and study during the Criminologist scenes. They're boring anyway.

Coming in RIR: Interviews by Ray Prew

CAST, CREW. You've seen the influx of virgin cast members into the cast. We're always looking for people who'd like to add to our cast. We're especially looking for lighting help on Friday's, but we'll take inquires for either night. RR

Maybe it's impossible, but, BEAT LA!
