VOL. 2 NO. 121 August 14-15, 1987 FREE Cumberland Twin Cinemas

The LAST PICTURE SHOW

The Rocky Horror Picture Show regrettably will be shown for the last time at the Cumberland Twin Cinemas next weekend. We urge all of you who have been part of the last 121 weekends at the CTC to join us for our final shows. Number 122 may not sound like a special number, but it will be a number all of us will remember for a very long time.

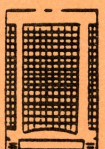

Only the Cinerama, from 1978 to 1982, has shown Rocky Horror longer in Rhode Island than the CTC. And we can safely say that never before in RI has one cast held together so long in one theatre than the RI RHPS Cast has in the CTC.

There is a slight possibility that the RHPS could reappear here again in the spring. To be blunt, though, it is only a weak possibility. RR

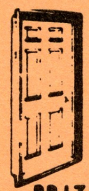

Sign Up

In an effort to retain some sort of immortality to what we have done here at the CTC for so long, a (hopefully) large white writing tablet will be placed in the lobby of the CTC next week. We urge everyone in the cast and audience to take part in signing that tablet. What we are going to do with that tablet is still undecided. Maybe we'll bury it in the woods behind the CTC. Maybe we'll save it in a time capsule. Maybe we'll shrink it and pass out copies. But no matter what, you'll be wanting to sign it along with any words or thoughts you have to pass along. Who knows, maybe someday (below)

Is there life after Rocky?

(or Can you do the Time Warp in a desert?)

Hello fellow Transylvanians! Let me introduce myself, I am Hank, the Virgin Cast Brad, The "Huggies" Rocky, or for the illustrious few, the impromptu Franky.

As some people know, I am going to Arizona State in August, (The 15th to be exact). When I visited ASU in April I saw the show at The Camelback Cinemas. I brought with me my friend Gremlyn, a rocky virgin. We loaded up her purse with the toast, rice, Rambo water pistols and of course the toilet paper. When we got in the cinema, was I schocked, not counting the cast (who were uncostumed and a great group of people) there was only seven people in the audience, who must have been virgins. I found out soon enough, that "Toto we are not in Cumberland anymore"

As the show progressed it was the cast who walked the aisles and threw the rice, squirted the water and yelled the lines. The only people Time Warping was Riff, Magenta, Colomubia, a big, hairy, smelly guy, and myself.

Now here is my problem, How can I keep R.I. with me when I revert to such beging stages of Rocky? Roy suggested to commute, Sheilarae said to transfer to her old school URI and Mike (Aka Eddie) replied "Why do you want to go there anyway?" So I am of to ASU getting psyched more and more to come back in December. So Roy, keep my spot open, and I will be back in all my odd costumes!
