

SWITCH

This weekend we are going to try to do things a little different. You'll see the usual cast members dressed like they usually do. You'll see the same blocking that you are use to. And you'll see cast members acting like the character they are dressed as. What's going to be different is that just because someone is dressed a certain way and acting a certain way doesn't mean they will follow the actions of that character any more. They will instead follow the actions of another part.

To help you keep track of who's doing what, here's a rundown:

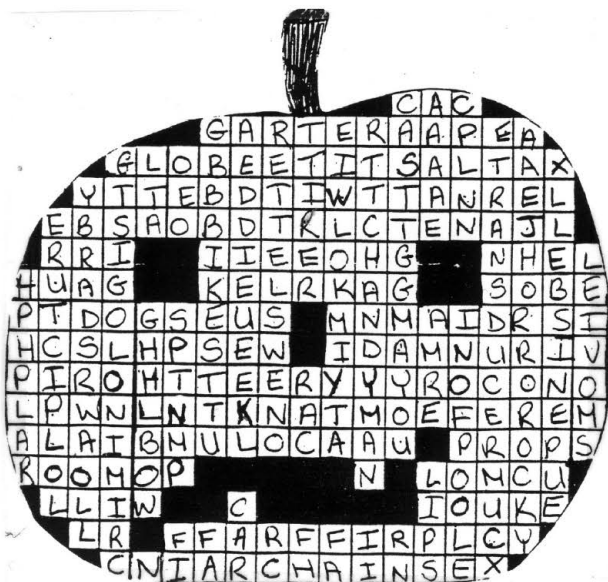

The cast member dressed as Frank will act like Frank but play Janet.
 Brad Frank.
 Rocky Magenta.
 Riff Raff Columbia.
 Eddy Dr. Scott.
 Dr. Scott Eddy.
 Criminologist Criminologist.
 Janet Rocky.
 Columbia Riff Raff.
 Magenta Brad.

Just because Halloween has passed doesn't mean you still can't have fun with this little puzzle from the Castle Times (i.e. - I wasn't going to save this until next year).
