

G E N D E R S W I T C H N I G H T

From the same cast that brought you Role Switch Weekend just 2 weeks ago, now comes GENDER SWITCH NIGHT! In Gender Switch, guys will be girls and girls will be guys. We'll only be doing this Saturday. So if you are reading this Friday night, make sure you see the one and only show Saturday.

By the way, for those of you who think this will be the same BS you see at the annual High School Football pep rallies, you're off. You know what I mean, the same old crap where a couple of the football players dress up in the cheerleaders outfits and everybody thinks its so funny that these tough duds are acting like girls. Ho Ho. But actually, they are not acting like girls. Instead, they are acting like guys acting like girls. So, they really aren't doing anything.

Also, for those of you who think it'll be guys acting like sterotype "fags," once again you're wrong. Sterotype "fags" don't act like real women either.

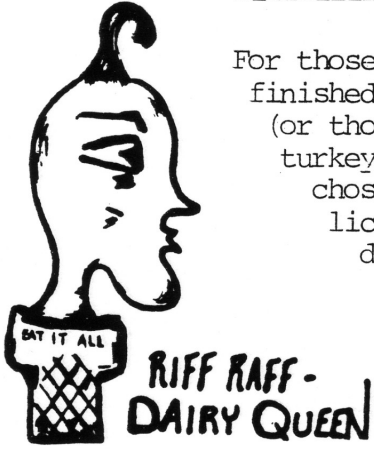

What you will see is a serious acting attempt by volunteers to act like the men & women in the RHPS.

Be there.
