Nude Box?

On Saturday, January 23, something happened that no one expected. (Well, maybe a few people knew about it) We had a visit from a male stripper. This caused a great amount of comments in the suggestion box about nudity. Don't forget, it is still winter!

Box- Show Phil naked.
Response- You'll be sorrrrryyy!
Box- Have another male dancer.
Response- I don't think we ever had a "male" dancer.

Box-No more strippers...unless they take off more than the cast does!
Response- That is true, the whimp didn't even take off more than Brad does! Or Rocky, for that matter!

Box- No more strippers!
Response- Hey, pal, this is just the begining.

Box- We want to see Roy's ass for the pre-show.
Response- But it is too cold to take it out of the stable! And besides, who would clean up the theatre after it?

Box- Don't show Phil naked! Unless it's a show for l-me. Ha ha.
Response- Possessive people are no fun!

Box- Have Mike Frongillo do a strip for a pre-show!
Response- I here-by swear that I will do a strip for the pre-show as soon as I get in shape! And I will take off more than that other whimp. Just a G-string, maybe?

Box- Do the show nude!
Response- There was a time when we were looking into a way to do that. We will see what we can do, maybe.

To the normal suggestions!

Box- I would have suggested something, only I couldn't think of anything.
Response- I suggest that you stay in your room all week untill you think of something to write!

Box- I think open auditions should happen every night!
Response- They do, kind of. We don't have auditions. This isn't Broadway! If you want to join the cast, simply tell any cast member. They will give you the details. There are no requirements except that you always try your best.

Box- Do the Time Warp Roxy style.
Response- If you ever saw our Pre-shows, you would know that we do do it in that style. It can't be done during the movie, if that is what you mean. It wouldn't be synchronized right.

Box- I saw a video on cable called "We Deliver". One of the actors looks like one of your cast members. In fact, he wore a cast T-shirt. Was it him?
Response- Yes.

Box- Please have the cast be more careful where they step and crawl. I've been getting hurt for the last 3 weeks. An injured cast member.
Response- This doesn't even deserve a response, but I'll do it anyway. Why don't you watch where you step and crawl? If you keep getting stepped on, you must be in the wrong place!!!

Box- Allow wip cream like they do in Boston.
Response- First, why don't you learn how to spell "whipped". Then learn that this isn't Boston. If you want to be a rowdy jerk and trash a theatre then go somewhere else.
