

Silver Anniversary

This is week 25, the Silver Anniversary week of the RHPS at the Meadowbrook Cinemas (MBC). It's amazing to think how fast 25 weeks have passed. Do you realize that next week will mark one-half year here!

In honor of this landmark, and of St. Patrick's Day later this week, here is a crossword puzzle to do. It comes from a 1978 issue of the Transylvanian. Check out the art work that goes with it! The spiders (eeee!!!), the spider webs (yeee!!), the blood dripping (oooowww!), and the lips (LIPS!!!). Notice how the artist brings together the horror with Recl'y Horror. That is the meaning. Yes, I see it. ... yes.
