More Bloopers

Three weeks ago, this paper pointed out some errors in the editing of The Rocky Horror Picture Show. They seemed to be very popular with some people, and many of you might have even gone so far as to not pay attention to the wonderful cast you have performing in front of you so you could watch for those blunders. So, for you few people, here are more.

During "Dammit Janet, a coffin is wheeled into the church. If you look, you can see that the last handle is upside down. Is this an error or is it supposed to be like that?

During "Time Warp", the tall, fat Transylvanian hands someone an hor d'ouerves tray. But, less than a second later, on the left side of the screen, we see him still holding it!

In the laboratory, Janet's feet are supposed to be frozen to the floor, but her feet change positions on the floor.

Janet's necklace is under her collar until just before Riff Raff takes of her dress. Suddenly it is hanging over her collar.

When Brad and Janet are in the car, Nixon's resignation speach is heard from the radio. The Criminologist said that the scene takes place in late November, but Richard Nixon resigned in August.

Did you ever notice that Brad and Janet go to bed and then eat diner?

An Apology

In R.I.R #27, (Bloopers), I, myself errored. Not once, but twice! Yes, sad, but true. In the first one, I said, "How did Janet know Frank's name? No one told her!" However, Columbia does say his name. "You're very luck to be invited up to Frank's laboratory." It wasn't all my fault, though. David Marks thought of it. I just didn't check it out very well. Get the tar and feathers ready, guys!

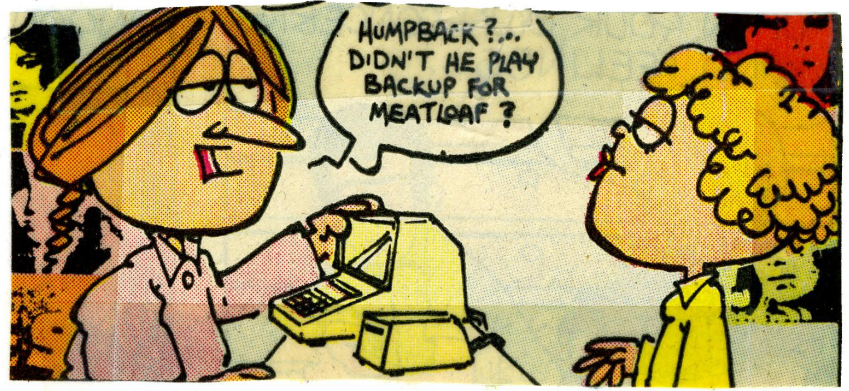

The second one was my fault and mine alone. I wrote that Janet drops her purse in front of her and when she picks up the ring, it is in back of her. But the exact opposite is true. She drops it in back and then it is in front.

To show everyone how sorry I am for the flamboyant errors I have made, I am going to repent. I have decided to donate all of my mother's Tom Jones records to homeless children, to give half of my dirty socks to Eric, the Godly owner of the theater, and, the most difficult of all, I will give up sex for 1 hour!
