RI Cast Stars in 'Louie' Parade

Congradulations to those members of the RI RHPS Cast who represented all of us in WHJY's "Louie Louie for Lukemia" parade on Sunday, May 22. Sheilarae Carpentier, Mike Frongillo, Kris Cantara, Mike "King" Kobar, Gina Angelo, Norm "Chip" Chipman, Jay Brooks, Steve Remley, and Matt Donga danced in the parade to the song "Louie Louie" recorded by the Kingsman back in 1963.

It was not an easy thing to do, over and over and over ... again. But they came through and we are proud of them.

LAST WEEK

This event marks yet another first for our cast and even more credit must be given to them because what they did was do something totally out of element. Dressed up in their regular costumes, these people appeared in broad daylight in the middle of Kennedy Square in downtown Providence performing a non-Rocky Horror dance routine. This is far different than being in the friendly confines of the Meadowbrook at midnight performing the Time Warp.

In last week's news, we had 2 happenings on our hands.

Here at the Meadowbrook, we celebrated the breaking of General Cinemas Warwick record of 35 weeks of Rocky Horror. We tried to have an All-GC cast, but were not able to raise enough interest and/or availability in some of the past cast members. Nevertheless we still did have 7 GC members doing the show. Frankly, I had hoped for better, but we are appreciative to those who did come.

The cast did appear on the news of 2 TV stations, channels 6 and 12, and also meet and conversed with WHJY's Rudy Cheeks and Carolyn Fox. Mayor Paolino also took note of the cast's appearance at the cerimonies afterward.

At Boston, 5 RI Cast members did the show with the Boston Cast. Word is they did well, were received well, and perhaps started the begining of future exchanges between our 2 casts.

\$151.00 was donated by these 9 people from their own pockets, the cast treasury, and pledges. All of this to the Leukemia Society. All in a day's work. Hat's off for a job very well done.

Also, I would be remis if I didn't thank the Providence Journal, RI's premier newspaper, for absolutely nothing. The Journal, whose building is adjacent to Kennedy Plaza, is also to be congradulated for their splendid lack of effort in this affair. Way to go, PJ! RR

It's been a while since we've had to put out a call for cast members, but the call is out now for a Friday night Frank N Furter. What does it take? You've got to be serious and willing to build a costume as you do the part more and more. No giggers please. If you think you are more than just another bullshiter why don't you give it a try? RR
