“WE CAME, WE SAW, WE KICKED ASS!”

As some of you may know, ~~two~~ weeks ago, here at the Meadowbrook Cinemas a cast of people who dated back to the Warwick Mall General Cinemas performed the show to celebrate the record breaking of that theater for the number of consecutive weeks running Rocky Horror. They had it for 35 weeks, and this is week number 38 at the Meadowbrook. Now you are probably saying to yourself, "I wonder what the regular cast members are doing tonight." Well, we were not about to just be blown off that night, so five of us went to Boston to perform the show at Harvard Square. Matt Donga played the Criminologist, Mike Frongillo played Riff Raff, Jay Brooks played Frank N. Furter, Norm Chipman played Brad Majors and Steve Remley played Dr. Scott. The rest of the cast was performed by Boston regulars.

The show is much different than it here at the Meadowbrook. There was about three feet in front of the screen in which the cast could act. The floor was very slippery, and the cast does a few things a little bit differently than we do, but everybody was very friendly and they did all they could to make us feel comfortable in the strange environment. We had a great time. The only thing that I didn't like about Boston is that the audience must pay a whopping \$6.50 to get in!!!! The show in New York City only costs \$5.00.

Many things were also the same. After the show, the cast, like us, goes out for breakfast. They asked us if we would join them and we said we would be glad to. We went to International House of Pancakes. The hostess asked us how many were in our party and Joyce Kahakalau, a Boston regular, said "Twenty-five!" I never saw a more dirty look from a hostess! So, after a short wait, they gave all 25 of us our own private room all to ourselves!

After breakfast, we all exchanged phone numbers and we told them that we would love to have them come down to perform our show here in Warwick and they said they would. In fact, the Columbia you will see Saturday night will be Joyce Kahakalau from Boston, so make her feel welcome and lets show her what we got. The Rocky Horror Picture Show brings people together from all over. Aren't you glad to be a part of it?

Thanks, Boston!

We Need Franks

It may happen that one Friday night, the cast will not have a Frank. The reason is because we don't have anybody to do Frank every Friday. Makes sense, huh? We need audience members to volunteer to learn the part. You must be serious and willing to work on a costume for yourself. It takes balls to play Frank. Nobody will think you are a "fag".
