VOL. 3 NO. 57 October 22-23, 1988 FREE MEADOWBROOK CINEMA

## Tripleheader Next Week

Next week the RHPS will show an unprecedented 3 times at the Meadowbrook Cinema. We will have our usual Friday & Saturday at midnight shows, and then we will show Rocky again on Halloween night at a special 9:00 starting time. This is a perfect time for you to cap off your evening after house-hopping. At Rocky, we offer you the long lost art of Trick, a tradition which has died off because most people just know how to Treat now-a-days (and, hell, THAT'S the easy part). RR

## Audience Costume Contest

Next Saturday, the audience is invited to take part in the MBC RHPS Costume Contest. There will be 4 categories:

- 1) Best Rocky Horror Costume.  
(Cast members prohibited)
- 2) Best Non Rocky Horror Costume.
- 3) Most Creative Costume.
- 4) Sexiest Costume.

### PRIZES

The 4 winners (1 in each category) will receive a FREE PASS each to any future RHPS showing. The 4 runner's up will receive a copy of the SHOCK TREATMENT album (sequel to RHPS).

### JUDGEMENT

In the past, we have let the audience applause serve as a judging tool in costumes. This time, while we still want audience cheering & encouragement, the judging itself will be left to a judging committee. We love rooting, but we don't want the judging to be a popularity contest.

You may think you can't come up with a great costume. Perhaps you can't, but

why not show everyone what you DID come up with. It's just all in fun anyway. Also, remember, there are 4 categories. In the past, some people have won contests simply because they were the only ones in a category! Sometimes, there is NO ONE in a category, which means ANYBODY could have won it if they had just tried.

## Costumed Cast

While cast members won't be involved in the contest, the cast itself will be attired in our own costumes next Saturday night. We will, however, be dressed in our normal RHPS costumes on Monday night.

Due to the fact that we be having BOTH a preshow AND a costume contest, you should make it here EARLY or else you stand a probable chance of missing half the fun. RR
