## HALLOWEEN EXTRAVAGANZA!!!

A BIG weekend just got BIGGER as we enter a 5-performance, 4-night weekend. Additional events have been added to the schedule. Let's get right to previewing the weekend, and THEN see if we can survive it!

### Fri, 9:00 - Johnson & Wales

That's right, the RI RHPS Cast takes it's first ever trip to JOHNSON & WALES to do the show right in downtown Providence. We are scrambling to get a show together with hopefully a decent # props too. Most of us don't even know what the auditorium looks like. All we've heard is that the students at JOHNSON & WALES know how to be LOUD!

### Fri, 12:00 - Meadowbrook Cinema

Next, we scramble back "home" after the J & W show to do the show at the Meadowbrook Cinemas. If you J & W students haven't had enough for 1 night, check us out at our regular theatre where we have a show EVERY Friday & Saturday at midnight. This is our 58th straight week! The Meadowbrook is located on Warwick Avenue in Warwick, across from the Super Stop & Shop. Call 732-3550 if you get lost.

### Sat, 12:00 - Meadowbrook - COSTUME CONTEST

Not only does the cast dress up in Halloween Costumes, but so does the audience. The only difference is that the audience is eligible to compete in any or all of the 4 costume contests (Best Rocky Horror Outfit, Best Non-Rocky Horror Outfit, Most Creative Outfit, Most Sexy Costume). Prizes will be awarded for 1st & 2nd place.

### Sun, 10:30 - Alias Smith & Jones - LIVE "GIG"

Located on Rte. 1 (Main Road - Just keep going way down Post Road south from Warwick, which is also Rte. 1) in East Greenwich, ALIAS SMITH & JONES is a premier establishment in it's own right. You'll need to get there early as the cast will be performing our first ever live "gig" at 11:30. Wear your costumes again for THEIR cash-prized Costume Contest.

### Mon, 9:00 - Meadowbrook - HALLOWEEN NIGHT!

Yup! Halloween Night, Prime-Time Rocky at the Meadowbrook. The weekend climaxes as we perform on a Monday Night. What a great time too. You will be finished Trick & Treating, but you won't be finished having fun if you come to the Meadowbrook. A great opportunity too if the usual midnight shows are normally too late for you.
