## The Box Is Back

It has been a long time since we have printed suggestions from the box in the lobby, so back by popular demand, here are some brand new ones!

Box- I think During the scene when our three stooges sing "That ain't no crime", they should do the action in synch with each other, never mind the movie.

Reply-I really hate people who write things like this. As a matter of fact, I challenge anyone who has something rude to say to write their name on the card also and we can discuss the problem. In private.

B-Wayne smells wonderful tonight!  
R-I wouldn't know. I don't get that close.

B-Want some candy, little girl?  
R-I can't believe we have a pervert at Rocky Horror!!

### LAST WEEK

	ATTENDANCE	PRIZES
FRI	58	Paul Hall
SAT	95	Karen Giddens

B-Give away free Sacrificial Puppies in Rocky kits!

R-Then what would we eat after the show?

B-Mike, did you know that the first 3-D movie was also, like Rocky, put out by R-K-O?

R-Thanks for the info, but Rocky was put out by 20th Century Fox, not R.K.O.

B-Spike the root Beer!!

R-Why spike the root beer when you can come to Rocky and grab a hienie?

B-I don't think any warning should be given to someone breaking the rules. Just throw them out.

R- I agree. Maybe we can make a sign for late-comers to read before going into the theater.
