VOL. 3 NO. 63 December 2-3, 1988 FREE MEADOWBROOK CINEMA MANCHESTER MOVIES

Hello New Hampshire

The Rhode Island RHPS Cast is very excited to be performing at Manchester Movies in Manchester, New Hampshire this Saturday. This is our second-ever trip to New Hampshire, the last one being about 2 1/2 years ago at the Alpha 2 Cinema in Hudson.

We would like to extend an open invitation to the "Rocky Horror Review" cast to come and perform down in Rhode Island some night(s). RR

OUR Sound System

We are very pleased to announce that the cast has purchased our own sound system which includes the amplifier, mixer board, and 2 speakers. We had been borrowing everything you've been hearing up until this point. Actually, we still ARE borrowing the mikes, 2 other speakers, and the tape player. Once we get this first purchase paid off, we will buy the rest too. The importance of OWNING our our system versus borrowing is that it will always be there for the audience, no matter who happens to be in the cast at any one time. We appreciate the help the audience has started giving us to help pay for this system.

Once we get everything hooked up permently, which should take about 2 more weeks, this system will be usable BOTH Friday and SATURDAY nights. We also will, within about 4 or 5 weeks, be hooking up the theatre's sound to OUR speakers to improve the quality of the movie too, not just the pre-show. This is our greatest enhancement since the purchase of spotlight 3 years ago. Thank you for your support. RR

Sorry, RI

Due to our trip to New Hampshire Saturday, our Saturday cast may be a little thin, unless we get some last second volunteers. We still need a Brad, Rocky, Dr. Scott-Eddy (one person can do both). Please bear with this for one night, and support those cast members who HAVE stayed behind to keep things going. We will be back in full-force next week! RR

--FLASH-- Richard O'Brien will put out a solo album and be touring the US. Susan Sarandon will be filming a movie in Boston this Spring-Summer. Tim Curry is also putting out another album sometime soon. Jay Brooks

NEXT WEEK:

- * The full cast returns (like it or not)
