

Eric Horror Picture Show

It was started. Now it's ended. The DRAW ERIC has come to a close. We received about 6-12 entries. You've seen them hanging on the lobby bulletin board.

Recreated below are a few of what is left of the Eric collection. Somehow, some of the drawings were "lost." (If it were pictures of ME, I wouldn't let that happen, Eric!). Fortunately, the winning drawing was preserved by Eric, who picked the winner himself. And that honor goes to Mike Cherry (Mr. Cherry always finishes in the top 1 or 2 of EVERY contest we have, it seems). Mike drew a Heat-Miser rendition of Eric, as Eric actually DID look on our Halloween Show.

Unfortunatley, the recreation's are not in color, but here are a few.

Now that this silliness is over, we can get back to being serious again.
