BRIAN IS A DICKHEAD

I got a letter in the mail Tuesday at my Rocky Review adress. The letter said...

Dear Rocky Review,

I think you're a bunch of dickless, semi-homo, wimps! Are you guys skinheads, skate punks, Nazis? Whatever you are@doesn't matter much, you suck. I'd like to make one thing clear, Mike Frongillo is definitely a dickless homo, & a dick sucking, cunt wacking ASSHOLE!

Signed,
Brian David Green

Before I tear this dickhead apart in this paper, I would honestly like to complement him on having the balls to actually put his name and adress down. (If this is the real name and adress) Most of the letters or suggestions like this are usually written by wimps who are to afraid to write their name.

Now, Brian, would you please tell me why the f*ck you wrote this letter? Was it my article about guedos? Are you a guedo Brian? If not, I hope you tell me what pissed you off so I can do it again! Did it make you feel like a man to write this letter Brian? Should I tell everybody that you don't know how to use commas?(It had to be edited to be good enough to go in my paper)

Let's take a closer look at this letter, shall we, Brian?

I don't think that anybody at Rocky hasn't got a dick(Except the girls of course). I don't even know what a semi-homo is, and I am DEFINITELY not a wimp. I am not a skinhead, skate punk, or a Nazi, but if someone else is, SO WHAT? You should learn to accept people as they are, Brian. I'm sure that everybody reading this newsletter is accepting you as a shithead who is no longer welcome at Rocky Horror.

And now, we come to the personal shit. I have a dick. It is pretty big too. I AM NOT a homosexual. I have probably had more women than you. I do not suck dick, which, I'm sure, is probably very upsetting to you. But I could probably fix you up with a guy who would. I don't really consider cunt wacking to be an insult, and I am not an asshole, but you are a whole ass!

Hey Brian, your mother's so fat she has to grease the bathtub to turn over! I would have been your father myself, but the guy in front of me didn't have change for a quarter. Your mother's so fat, a volkswagon ran into her and they haven't found it yet! When she was in high school, every time she got up and turned around, she'd erase the blackboard! I'm not half the man she is!

I have just acted like a complete child and it made me feel good. Now Brian, get up, brush yourself off and tell us why you wrote this letter, you dickhead!

Michael Frongillo
