Rhode Island College, Just Like That

What the hell are we doing here, at Rhode Island College, all of a sudden? A few days ago, we hear there is an ad in RIC's newspaper that the RHPS is playing at RIC's Student Union Ballroom on a Thursday night at 9:00 & 12:00. The ad says there will be "live actors performing the movie," and even some "Props." That sounded like something we always do at the Meadowbrook Cinema in Warwick every Friday & Saturday night at midnight. Guess that meant WE were going to be THERE (HERE to you folks at RIC) too!

So, Saturday night, we impromptly asked each other, "Wanna do RIC? Wanna do RIC? Wanna do RIC?" The answer came back "Sure, Sure, Sure." "Can you make it that night? How 'bout you? You? You?" "Don't know yet. Yup. Not me. I'll try. Yup. Maybe. Let me get back to you." "Know how to get there?" "Yeah, sure, sure. Everybody knows RIC. Sure." "Does anybody know the layout of this Ballroom? How are we going to know how to do it there?" "Figure it out as we go along." "Does anyone at RIC know us?" "No, somebody just knows there's this cast that's been doing the show in the state the past decade." "Shouldn't we arrange something with them?" "No time. Just show up. Do it on the spot. Somebody there knows some cast people are coming, that's it." "But won't we do an awful show not knowing how to do it there without practice & rehearsals?" "Yup, but the students at RIC won't know that. They'll just look up and say 'Hey look at that, a cast is doing the show, how 'bout that! WHO ARE these guys anyway? Are they students? Where'd they come from? What the hell's going on around here anyway?"

What a way to run things.

SERIOUSLY, NOW

All kidding and confussion aside, the Rhode Island Rocky Horror Picture Show Cast is honored and happy to have been asked to do the show at RI College. We've done this show at many different colleges over the years, some far away, but, never at RIC. You will see some confusion, but as long as you have a good, safe time, that's all that counts.

If you like what you see (or you just want to get a copy of this wonderful newspaper EVERY week), come see us at the Meadowbrook Cinema. We are always looking for new & spirited cast members to grow in our cast. You can at least get to meet the wierd crowd at the Meadow-

brook (Better watch what I say, THEY are reading this on Fri & Saturday).
