Cosmic Steak & Pizza

Every weekend after the show, many of the people in the cast enjoy going out to eat. We have been to as many restaurants as theaters. We've been to Wes's Rib House, Howard Johnsons, Bickford's, Haven Brothers, The Fountain Royale, and McManus & Sons. But our latest obsession has been Cosmic Steak & Pizza.

Cosmic is owned by Dave Ohanesian. Dave is a great guy and he always makes us feel at home. Dave can usually be seen making strange noises over the microphone and telling bad jokes over the loudspeaker. Cindy is the beautiful counter person whom I have never seen without a smile. Dave's Mom is very nice and always calls us "Honey" or "Dear". Tom is the guy who makes the food. He is pretty cool, too. Then there is Richard. Richard doesn't work there, but he is there more often than the people who do. Richard's nickname is "Stink-Dick". He just goes around to all the tables and talks to people.

The food at Cosmic is first-rate and goes from Doughboys to pizza and from sandwiches to dinner plates. The prices are incredible. Dave claims that they have not gone up for some twenty years.

Sometimes we have problems with drunk non-Rocky Horror patrons. They can't understand why some of us come in with make-up or costumes still on. They give us dirty looks when we walk in. They probably think we are all gay or something. Rest assured, we are not. We are just tired actors who want something to eat.

Around three o'clock, Cosmic clears out and that is when the party begins. Dave cranks up the jukebox and we get up and start dancing and singing and having a great time. We usually leave around five or six o'clock.

So come to Cosmic after Rocky Horror and hang out with the cast! Cosmic is located at 2168 Elmwood Ave at the junction of Post road in Warwick just minutes from the Meadowbrook. They deliver, too! Phone 781-5410.

An Apology

In R.R. #6, I wrote an article in which I used the names Ray and Linnie. Ray and Linnie were upset by it so I would like to apologise for offending them. Ray is a good friend and I didn't mean to upset him.
