VIRGIN CAST

As you know, we are in search of people who have NEVER done the RHPS show as cast members. We are putting together a virgin cast to do the show together that night. You can screw up & no one will notice because everyone will be struggling. RR

Anniversary Coming Up

We're just 3 weeks away from the big 2 year anniversary show at the Meadowbrook. What's that mean for you? Well, how about another extra long preshow, more concession stand specials, and, audience willing, a big crowd. Be there, darn it! (ok, DAMM it!).

I've had many inquiries about the Russell phenominom that is slowly swirling about the Meadowbrook these past few weeks. Most of the inquiries have come from, well, you guessed it, Russell. I could really tee off on him since I am not here in body this week, but I won't. Instead, let us all realize that Russell is NOT to be confused with creatures from behind the woodwork, BUT... but, he DOES know the ins & outs like no other. And the enigma flows throughout the MBC.

Say what? You want another joke? Ok. Q: What is the name of Riff's stupid younger brother? A: Riff Daff. Ohh..DAFF! HAHAAhahahah!
