

At Last ... RECOGNITION!

To all those people who have disregarded the RIR on the Meadowbrook floor, and to those who havn't even bothered to pick it up at the counter - what FOOLS you have been! That's right, F-O-O-L-S. Only a select few have had the foresight to collect all the issues & bring them home. Only a few have always made sure you read the RIR. The rest - my God - I've have to walk around HANDING these classics out!

Dear R.I. Rocky:

This is no joke. I saw Rocky Horror for the first time, this weekend. I discovered that a newsletter is printed every weekend.

At the library, we collect all the information we can about local happenings, and newsletters are among just some of what we gather.

I would like to know if we could be put on your mailing list to receive Rhode Island Rocky. It would be great if we could have past issues as well - all 100!

I look forward to hearing from you, and thank you for your consideration in this matter.

Sincerely,

Marilyn

I've wanted somebody to READ the the RIR, for people to take it seriously. But noooooo, you really didn't CARE that much. You're too busy with other crap. Well, this paper has become BIG without you.

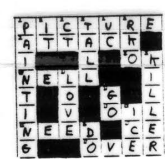

R. I. Rockys (3 volumes) & Providence Rockys & Warwick Rockys & Newport Rockys & all the other Rockys. For years, EVERY WEEK, EVERY SHOW, there has been a Rocky paper. And, now, finally, we will be cataloged by a highly respected institution, who's members of which obviously are blessed with impeccable taste. And because of their ability to see what we have here, they will not just receive the last 100 issues, but ALL "Rocky" issues since 1982!

Of course, you must realize, one must not let acclaim go to one's head. I certainly won't let that happen to myself. BUT, one has to reconsider that "FREE" pricetag listed above. AND, due to a past lack of appreciation & demand for the heavily underestimated RIR, I AM considering giving the RI Hist. Society an EXCLUSIVE to receiving the RIR. THEN you'd have to go there to TAKE OUT a copy.
