

Anniversary Over, Now What?

With the completion of the 2 year anniversary last weekend, that having come off the heels of the 100th weekend celebration 5 weeks earlier, you might think we are about to hit a lull. NO WAY!

We've got plenty of great stuff ahead! Next Saturday, it's VIRGIN CAST NIGHT. What's that? Well, how'd you like to see a cast doing the show with members who have NEVER done the show before? Pure guts, no experience. We are putting together as many cast virgins as possible. If we can't find a virgin, the person with the least experience gets the chance.

On Sunday, October 15th, at Kennedy Plaza, it looks like we will be entering the "Louie Louie for Lukemia" parade in Providence. THEY have been calling US & are excited to get us back.

I've been hearing rumors about the Pre-Show 2-Year Anniversary. THAT ought to be something. There need not be a rumor about our Halloween show, October 28. It's a definite. We may also be getting involved with a local club again this year on Halloween Night. Stay tuned.

Well, until next week, stay outa trouble & fights, especially with "Macho Men," cause they BAD. RR
