VOL. 3 NO. 108 October 13-14, 1989 FREE MEADOWBROOK CINEMA

## Pre-Show Anniversary

Saturday's preshow will be dedicated to the 2-year anniversary of the preshow at the Meadowbrook. I should say the 2-year anniversary period since before the preshow started here we never really had a preshow on even an infrequent basis. The only time we'd do anything was when we had a big show, and even then it would be only about 1 or 2 songs. Since then, Jay has turn preshows into a regular feature here. We now have our own sound system, & people aren't affraid anymore to go up front & do something. Whereas now the audience EXPECTS to see something, before they use to look at us funny when we'd perform - "What's that guy doing up there? The movie hasn't even started yet!" That's the way it was - before 2 years ago.
