

Cast cops "Worst Dressed" Award

Well, we don't know if we're honored or not, but the RI RHPS Cast won the "Worst Dressed" award at the 2nd annual Louie Louie for Lukemia parade put on by WHJY. Eighteen members marched proudly from Kennedy Plaza to the State House. Between the audience & cast, \$100.00 was donated to Lukemia research. Check out the award hanging in the lobby.

PRESHOW: KISS!

The long awaited preshow dedicated to the rock group KISS will take place this Saturday right here. The pre-show guys say they are really going all out for this one. Friday nighters: Be here early enough Saturday.

Next week, expect to also get here early on Saturday night, because we will be doing an extra long Halloween preshow. Also, we are trying to put together an audience costume contest. Listen to the opening announcements Saturday night for details, if any.

Don't expect next Friday to be just another show, since the cast will be doing the show in Halloween garb, not regular Rocky Horror costumes.
